

I believe that Sinclair Broadcasting's decision to air the anti-Kerry Documentary, "Stolen Honor", is wrong. One-sided opinions should not be aired on a public airwave which is free of charge. If they do decide to air such a program, it should be made very clear to viewers that they will very shortly thereafter air a program which supports the opposing view point, in this case a documentary such as "Going Upriver." Sinclair's choice to force their stations to air this blatantly anti-Kerry film right before elections is truly unfair and unethical. This should be taken into serious consideration when their license is up for renewal.

Thank you for your consideration of this very important matter.
